Mr. William R. Jackson,
153 Court St.,
Newark, N. J.

Dear Mr. Jackson:

I have been out of town quite a little and as a result I am very late in answering your letter. I want to say, I will be glad to talk to you or any one of your Group at any time about the proposed ball game.

We had better try and arrange an appointment the early part of next week, as I will be going to Chicago about the middle of the week. You may call the office at any time MARKET 3-2641.

Very truly yours,
